《Summary》

Fusako, Ichirō, and Daiya are neighbors who live in the same apartment, one on top of the other. Fusako confesses her love to Daiya, but is rejected. Ichirō becomes attracted to Fusako and openly declares his feelings. The three now have a complicated relationship... Despite her realization, Fusako is still hesitant and has doubts about confessing to Ichirō. At that time, Ichirō's little sister, Koto, appears. She departs after a day, leaving behind the mysterious words, "...since you're not that other girl." Fusako, who agonizes over Koto's words, realizes that she actually knows very little about Ichirō and becomes sad. So Fusako presses Ichirō with questions about his past, to which Ichirō replies, "...you're raising my hopes..."

I

Happy story... although now that she's
growing older, silly incidents have
decreased the growth of a child for
me parents is one part, a happy thing,
but it can also be a little sad. No not
because I can't write about her one
day I questioned her "What would you
do if mother died" then my daughter
replied very energetically...

WORONIT
DON'T BE

A BUNCH

① **Host:** This is Nancy Nguyen! This is the month I've been working hard, doing for as many, but as I speak these words will continue for longer than when you I'm very happy! Truly! It is thanks to you readers. My next goal is to be ranked on the TV show *Working Kingdom's* Is it possible? It's probably a dream, but it might be possible if all the *Parfa-Tic* fans support me! I should be working hard I'm very happy I love to read manga and I'm confident that I read more than the average person, but they're all love stories or shounen manga, so in order to broaden my horizons I think that I should explore more genres in manga, as well as novels, music, TV shows. Learn something new every day! Good! *Working Kingdom's* Why not?

Since Fushin has become aware of her feelings for Ichi, his effect on her has been increasing by the day. She has declared to Daigo, "I like Ichi," and finally tries to confess her feelings to Ichi. However, what happens then...?!

Author's comments.

"I've written up to now both lively and seriously, but relatively realistic (for a shounen manga) scenarios. Perhaps in reaction to this reality, sometimes I slip into fantasies of Fushin with ESP powers, or Ichi and Daigo delving in the entertainment industry, or other unrealistic fantasies. Even my editor frequently asks me, "They're not going to do that?" but I answer very vehemently, "W01!" (laugh).

DAYA'S DIRECTNESS COMPELS
ME TO THINK THIS WAY.

HAVE
TO TELL
HIM.

I love athletics. I actually had extra-credit grades in gym. I never had any interests in sports, and I was out of the loop when everybody was going wild about baseball, soccer, the Olympics, etc. . . However, I do enjoy sports manga and tend to re-read myself in them. I feel that I'd had no write a sports manga myself, but my head automatically skips over the sports stories and just continues the story without the stories. If you look at the Higurashi Festival (specifically the athletic festival) in volume 1 and the tennis matches that are soon coming in volume 4 and 5, I'm sure you will notice how I try to avoid sports as much as possible.

I
WILL

② However a translation rule in MangaBox, a copy of the rule page art, which is called a "lead" is included with it. My supervising editor is the one who makes up the words in it for me. In a manner of speaking, the editor could be called a "copy writer" However! These leads only show up in the MangaBox magazine and never make it to the comic. As a creator myself, I should think, "What's with that?" SO This time, I've decided to have a "Tap it" My tap is favorite of all MangaBox Tap's "lead"! I'm sorry, Gonzo-san my editor doubt! Now you can read any of your leader FuFu! So, here are the last 10, to Gonzo-san with all my love!

When my editor saw the name for the Midwinter Festival, even he recoiled and said, "You really have sports, don't you, Nanzy-nanzy!" And yet, the main characters in Nanzy nanzy read no "Van Duster." I'm sorry for being so arrogant. When I finish *Barbaric Tia*, I'm going to count the number of words Fudo nan duster. Anyway, my goal is to become a "manga artist who can write anything." For the gods, there are no entry obstacles I must overcome. I might talk big, but I'm really thinking in my head, "There's no problem, there's no why I could Not do, not me!" I'm actually a pretty calm, weak, and pragmatic person. Tia.

My younger sister's child, my nephew and Hypno's cousin, is named Murayama, Rika. Murayama currently he is one year and 8 months old, but he is, as always, extremely mischievous. His actions and his emotional expressions are completely different from Hypno when she was his age, so I find it very funny.

⑤ My younger sister was always her a very independent because supposedly her friends don't notice how hard she works, and thought of her as merely some helper doggie. So I thought I'd wait for her to be ready to contribute. To say it simply, she passes the of the times she does the coloring in of everything except the hair and the watering for everything except the cups, but my sister does most of the times by herself. On the days that I finish my drawing in pen early although by early I mean the morning of the day that I do some of the times too, so, usually, even on those days, she will do the, when I'm running very behind schedule, we're rolling with. She passes them in even without my instructions though. Even when I am on schedule, my instructions are very vague. But even with my vague instructions, she knows what I mean, so it's pretty amazing... well, we do have the same blood running through our veins.

Overly Mature

They say that girls mature quickly, but this is mature, it's almost embarrassing for me

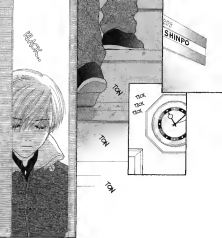

She Loves Her Songs

MangaProject.cjb.net

The characters that I draw are relatively plump for a shounen manga. To say it bluntly, their bodies are not very fashionable. The characters in shounen manga have very thin bodies. It's more logical to draw them with thin bodies. I realize this, but I can't help drawing them with plump bodies. The reason is simply because I draw them with my body in a model. Come-out clothes! I don't have a lot of confidence in my abilities to draw, so I draw the rough draft while constantly turning to look in the mirror. That's why the characters' arms and legs are fat and their legs are bent outwards. Might I excuse me for having a funny-shaped body? So what if I don't look good in anything I wear. So what if the trim seems short and the cropped pants fit me perfectly? Leave me alone!!!

FOR SOME REASON I HEARD A VERY LOUD SOUND LAST NIGHT

MY
FEELINGS
FOR HIM
INCREASE

EVERY

EVERY

WHAT...

THAT
EVEN IF
IT'S JUST
A SMALL
THING,
FOR EVERY
LITTLE
THING

IS IT
EVEN
THOUGHT

OR
"BECAUSE"
OF THIS

I FEEL
AS IF THE
DISTANCE
BETWEEN
US IS
GROWING

IT'S
ALMOST

AND THERE WAS
A SHINY GOLD
"FOR YOU" STICKER
THAT THE STORE
OFTEN GIVES YOU
WHEN YOU TELL
THEM IT'S A GIFT.

HMM?

THERE WAS
SOMETHING
IN THERE.

BUT WAIT!
THEY DO
HATE THAT
EVERYBODY
HAS ONE
POINT OF
INTENSE
POPULARITY
IN THEIR
LIFETIME!

WHY?
A BOMBY
NO
WAY!!

WHY?
SERIOUSLY
IT?

SHOULD I
OPEN IT?
SHOULD I
OPEN THE
DOOR?

IT'S
PROBABLY
FROM
SOME
BOMBOMBY
SOME-
WHERE.

* NOTE: BOMBOMBY = BOMBOM WITH
STRANGE TARTARUS LOOKS
THAT NOBODY ELSE
WOULD LIKE?

STUPID...

DO YOU
REALLY
THINK THERE
ARE THAT
MANY
MONSTERS
LYING
AROUND?

HURRY
UP AND
REALIZE!

NGA!

I'M
SO
GIMPLE.

EVEN OVER
THE SMALLEST
THINGS, I LOSE
CONFIDENCE TO
THE POINT OF
FEELING THE
DISTANCE AND
GET ALL
INSECURE.

AND
YET

...THERE'S
NOTHING
TO BE
WORRIED
ABOUT.

LOOK
AT
THIS...
TODAY

...FALLING
INTO THE
OPPOSITE
DIRECTION
AND FEELING
HAPPY...

IT'S IM-

BLOOD CRYSTAL MARCH
 (IT'S AN ABSOLUTE
 VERBALLY AND VISUALLY
 SHOCKING SCENE THAT
 TALKS)

⑤ How vague my
 impressions are...
 "Here, right" or
 "here, and usual" or
 "Yamada, Yamada,
 Yamada, Yamada,
 or 'Hoya, nappa'
 or 'Here, whatever'
 etc. See order
 words are partly
 because I'm so
 reported the I
 usually have her come
 in approximately two
 days before the
 deadline. On the first
 day, there are times
 when she sleeps about
 10 hours. And then
 she gets up not with
 sleep only two hours.
 "You're sleeping too
 much!" She says a
 lot of things while
 she works, and yet
 she works only 10h.
 Even on the day of
 the deadline, she'll
 watch cartoon for
 the NHK drama
 series. Oh! I was
 supposed to write
 about how hard she
 works, wasn't I.
 Although she does
 plans, she'll even
 work on Sundays
 for me. She will put
 all requests for me,
 filling with my notes,
 the people around
 me, those of my
 publishing house, all
 the people involved in
 Naoko Higashino's
 works. "Naoko
 Higashino" is not an
 individual creative
 name, but a group
 name!

WE'RE
 ALTHOUGH
 THIS IS THE
 ONLY WAY
 WE CAN
 CONTRIBUTE

THE
 SAME

 FOR US?

NOW,
 WHERE'D
 YOU GET
 THEM?

FROM

BUT PLEASE,
I ASK
YOU BE
QUIET
DURING THE
MATCHES.

THINGS
ARE
GETTING
EXCITING!

OH, MY!

AND I WAS WONDERING HOW JI-SHUN AND SU-SHUN WERE DOING, SO...

I JUST HAD A MATCH AT TAIF ATHLETICS PARK.

DAVID I HAVEN'T SEEN YOU IN A WHILE. WHAT'S THE OCCASION?

NOTE: JI-SHUN = THE SON OF JIANGHU, SU-SHUN = THE SON OF SU JIANGHU.

I walk on a barefoot. It really hurts. Not just my feet, but my hands get tingly and numb. If the path were a little smoother, I'd walk there more regularly.

Like this

I get cold very, very easily. I'm sure there are people who get cold more easily than I, but I believe my coldness is pretty extreme. To give a sense of how cold I get just getting near my feet or hands without even reaching them, it's often the case the coldness through the air. I get cold only and remain out of the bath. I'm cold even inside a kotatsu so people kick me a lot inside the kotatsu and yell, "don't touch me!" sorry. However that little strip of lumpy rocks in the park right underneath the pressure points on the bottom of the feet... that was interesting.

*NOTE: THE LITTLE STRIP ATTACHED TO THE UNDERSIDE OF THE TARDIS WAS PLACED OVER THE SOLES TO KEEP IT WARM

UP
LARGE

THAT'S
WHAT I
MEANT
IT

SAC-
CHAN

TERRUPTED

① Iori, the girl from Ichi's past who is introduced in this volume, she passes me off even as I'm writing her stage. Junior High and High School students might not have met girls like her yet, but you will when you go out into the world!
 Adult girls too have to consider when you ask if there is a model for Iori? Here, there is, and there are! I compiled a bunch of characters from the "There was a girl like that" stories on a TV show and created Iori. Currently on the main magazine, Iori is loved like the plague, but there are actually some who think "There's a nice person. What's wrong with her?" Even if it's gossip about Iori's marriage I don't want to read anything like that. I'm looking forward to any reactions you have about Porphyria To. See you again!!

②

WELL...

BUT...

I'M THE FIRST

WELL...

SO HE BROUGHT ME HERE BECAUSE I'M A GIRL WHO WON'T EVER BE ENGAGED IN SOME THING WITH HIM THAT MIGHT GET INTERRUPTED

I DON'T KNOW HOW MUCH MORE TO SAY ABOUT THAT
